

**technical data
treadmill T 9700 HRT**

- **length:** 203 cm
- **width:** 74 cm
- **weight:** 145cm
- **weigh:** 136 KG
- **motor:** 3 PS continuous power
- **adjustment of height:** 0 – 15 %
- **program:** muscle toner, speed interval, sprint 8, fat burner, 5km-run, 5 customer Program, cardio, interval, staying power
- **hrt-measurement:** telemetric belt
- **display:** distance, time, rpm, calories, heartrate, incline, average speed
- **user weight:** 190 KG
- **walking belt:** 152 x 51 cm
- **speed:** 0 – 20 km/h
- **damping:** 8 variable absorbers
- **frame:** heavy steel
- **warrenty:** 1 year warrenty, 10 years for the motor, 3 years for electronic parts
